

Shared Use Agreements: A ChangeLab Webinar

Hosted by the San Francisco Bay Area and Central Valley Area
Training and Resource Centers

promoting shared use as a
policy strategy.

By the end of the webinar, participants will be able to:

- Explain the role of shared use agreements in increasing physical activity opportunities in low-income neighborhoods.
- Identify at least three approaches for increasing physical activity opportunities in low-income neighborhoods.
- Describe how shared use can be used as a physical activity strategy.
- Discuss the role of local health departments in

Central California
REGIONAL OBESITY
